CUIMC FORMAT FOR CURRICULUM VITAE (CV)

Updated September 25, 2025

You are encouraged to follow the CV format described in this document to facilitate accurate reporting and interpretation of your academic accomplishments.

Please note the following:

- Sections 1 5 + 12 are mandatory. Other sections and subsections can be edited to describe accomplishments appropriately and clearly.
- For the sections of Work Experience (3), Education (4), Training (5) and Gaps (6), you are required to use the following format as proposed by the National Committee for Quality Assurance.
- Beginning month & year for your current CUIMC position, or, if new faculty, the month & year when you will begin your position.
- · Beginning & ending month & year for each previous position (work, training, education).
- List entries in reverse chronological order (most recent first) in all sections.
- Include a header containing your name and the page number.
- · Only include an item once in the CV, even if it may apply to more than one section.
- Local refers to home institution; regional refers to city, state, and nearby states.
- Include concise, bulleted annotations to help communicate the significance of selected key accomplishments.
- Define abbreviations when first used within each section.
- Carefully proof for typos and format inconsistencies.
